5.0 USE AND ACCESS PRIVILEGES

Use and access privileges specific to Permitted Users (see definitions in Section 4) are described in this section. Read carefully as there are limitations that apply in various situations. There are limitations on Owner use privileges for multiple ownership and entity ownership situations (Section 5.02, 5.03). Owners must surrender their Owner ID card and access privileges if they request Resident Tenant access privileges for their property (Section 5.05). Owners of interests in a Fractional Unit have use and access privileges of “Registered Unit Occupants”, which means only for the duration of their stay in their Fractional Unit and for the number of occupants indicated on a written pass issued at check-in (Sections 5.06 and 4.04). Guest privileges and fees are specified in Section 5.12 as well as the fee schedule.

5.01 Owners: Except as otherwise provided herein, Owners and their Immediate Family have use and access privileges to Recreation Facilities subject only to hours of operation and specific rules for facilities such as age restrictions, court reservation requirements, etc. Such rules will be posted or otherwise available at the Recreation Facilities and may be amended from time to time by ECMA and/or its Resort Manager. Immediate Family members between the ages of 14 and 21 are required to obtain a Minor Card to access the facility unaccompanied by the Owner. Proof of age and address will be required before Minor Cards are issued. Minor Cards do not carry Guest access privileges.

5.02 Multiple Owners of Deeded Interest: For each deeded ownership interest, a maximum of two deeded owners may be designated as “Owner(s)” for purposes of these Policies. This designation may be changed annually by written notice to ECMA. Fees may be charged for the change in designation as specified in the Fee Schedule.

5.03 Entity Ownership: A real property interest may be held in the name of a legal entity such as a corporation, partnership, company, trust or other form of multiple ownership (collectively, the “entity”). The entity may designate by written notice to ECMA one individual as Owner who, with his or her Immediate Family, will have the designated access privileges to the Recreation Facilities. The entity may change the designated individual prior to the start of each calendar year upon payment of the redesignation fee listed in the Fee Schedule.

5.04 Residents: Resident status affords an individual the same use and access privileges as an Owner; provided, however, the use and access privileges are for the individual only and do not extend to Immediate Family members. Nor does a Resident have the privilege of bringing any Guests to the Recreation Facilities. To secure Resident status and a Resident ID card, an individual must meet the requirements specified in Section 4.06, which status must be confirmed in writing by the Owner of the residence. Residents will be required to provide proof of identity, age, and home address. A Resident ID card will be issued for a period of 12 months after which time Resident status must be re-established. A fee for Resident ID cards will be charged and is listed in the Fee Schedule.

5.05 Resident Tenants: Subject to the limitations provided herein, Resident Tenant status affords an individual the same use and access privileges as an Owner. To obtain Resident Tenant status, the Owner of the residence must provide a signed written rental or lease agreement evidencing a lease term of no less than six months and naming the Resident Tenant. A month-to-month rental agreement does not qualify. In addition, the Owner must surrender their Owner ID cards and any use and access privileges to the Recreation Facilities for the term of the rental or lease agreement. Provided these conditions are met, up to two Resident Tenant ID cards will be issued (adults age 21 or older) plus up to four Minor Resident Tenant ID cards for children of Resident Tenants between the ages of 14 and 21. Minor Resident Tenant ID cards do not carry Guest access privileges. The

Resident Tenant ID cards will be effective for the term specified in the rental or lease agreement up to a maximum of 12 months after which time Resident Tenant status must be re-established. A fee for a Resident Tenant ID cards will be charged and is listed in the Fee Schedule.

5.06 Registered Unit Occupants: Registered Unit Occupants are afforded use and access privileges to Recreation Facilities subject only to hours of operation and specific rules for facilities such as age restrictions, court reservation requirements, etc. for the duration of their registered occupancy. No additional fees are charged to Registered Unit Occupants.

5.07 Registered ECAG Guests: Registered ECAG Guests are afforded use and access privileges to only the Resort Sports Center (NOT the Red Tail Hawk Pool Complex) subject to hours of operation and specific rules for facilities such as age restrictions, court reservation requirements, etc. for the duration of their registered occupancy. The Lodge operator is required to pay on a monthly basis the fees specified in the Fee Schedule for access by each of its Registered ECAG Guests.

5.08 VROA Owner Day Use: In addition to the use and access privileges as a Registered Unit Occupant, a VROA Owner and his or her accompanied Immediate Family have day use and access privileges to the Resort Sports Center only (not including the Red Tail Hawk Pool Complex). The Resort Manager has the authority to limit VROA Owner Day Use based on space availability. VROA Owners are strongly encouraged to contact the Resort Sports Center prior to visiting the facility to determine if space will be available on that day.

5.09 Vacation Rental Occupants: To secure use and access privileges to Recreation Facilities for Vacation Rental Occupants, the Owner of the vacation rental residence must register the residence in the ExpressPass Program. Registration in the program requires the purchase of a minimum of six ExpressPass Cards for use by Vacation Rental Occupants, which cards are effective for the calendar year in which they are issued. Additional ExpressPass Cards over the minimum may be purchased up to a maximum of 10. The cards are to be managed by the Owner or Owner's rental manager and kept in the residence. In the event a short-term rental occupancy exceeds the number of purchased ExpressPass Cards the Owner or Owner's rental manager may request a ExpressPass Day Use Card for the duration of that occupancy. Fees for ExpressPass Cards and ExpressPass Day Use Cards are listed in the Fee Schedule.

5.10 Resort Employees: The Resort Manager is authorized to allow Resort Employees to use Recreation Facilities provided the usage is managed to minimize impacts on usage by Permitted Users. Resort Employees must call the Resort Sports Center prior to arrival to inquire if usage will be permitted. If permitted, a Resort Employee will be allowed to be accompanied by his or her spouse or significant other and their dependent minor children, or alternatively one guest. Weekend usage of pools and spas should not be expected during the summer

season (Memorial Day to Labor Day). If a Resort Employee meets the definition of another Permitted Users status, the applicable Permitted User status will apply to that individual.

5.11 Class or Lesson Participant: The Resort Manager has the authority to designate certain fitness classes and/or lessons as being open to Class or Lesson Participants. This may be a daily determination based on space availability. Class or Lesson Participants are required to sign registration documents (including a waiver of liability) and make all necessary payments at the time of check-in for the class or lesson. Class or Lesson Participants may only access that portion of the Recreation Facilities in which the class or lesson is being held and restroom facilities and only for the duration of the class or lesson, as applicable. All other areas of the Recreation Facilities are off-limits to Class or Lesson Participants. Violation of these Policies will result in forfeiture of class and/or lesson attendance opportunities.

5.12 Guests: Access privileges extended to Guests are specific only to certain Permitted Users as described in this Section 5 “Use and Access Privileges”. For those Permitted Users who are allowed to bring Guests, the following restrictions apply. See the Fee Schedule for Guest Fees.

5.12.1 Owner Guest – Accompanied: An Owner may bring up to six Guests who must be accompanied by the Owner at all times while using the Recreation Facilities, subject to frequency limitations, fees and other restrictions as provided in the Fee Schedule. Guests must be registered with the Resort Sports Center check-in desk by the Owner and must provide valid photo identification to obtain Guest Access.

5.12.2 Owner Guest – Unaccompanied: This Guest privilege is intended for temporary houseguests of Owners who are not residing at the property in exchange for rental or any other items of value. To obtain access to the Recreation Facilities for Guests not being accompanied by the Owner, the Owner must activate guest passes through the REC DESK program at least 72 hours prior to the houseguest arrival date. The submitted request is representation by the Owner that the visit is not related to rental activity or in exchange for any other items of value. Once approved by REC DESK, six (6) guest passes will be activated for a seven (7) day period. The Guest will be required to show the guest pass at each visit to the Recreation Facilities. The number of guest pass activation requests per Owner per calendar year is restricted as listed in the Fee Schedule.

5.12.3 Resident Tenant Guest: The Guest privileges described for “Owner Guest – Accompanied” and “Owner Guest – Unaccompanied” apply to the Resident Tenant.

5.12.4 Registered Unit Occupant Guest: A Registered Unit Occupant may bring up to 6 (six) Guests who must be accompanied by the Registered Unit Occupant at all times and pay a Registered Unit Occupant Guest fee listed in the Fee Schedule. Guests must be registered with the Resort Sports Center check-in desk by the Registered Unit Occupant.

5.12.5 VROA Owner Day Use Guest: A VROA Owner accessing the Recreation Facilities as a VROA Owner Day Use Permitted User may bring up to six Guests who must be accompanied by the VROA Owner at all times and pay the VROA Owner Day Use Guest fee listed in the Fee Schedule. Guests must be registered with the Resort Sports Center check-in desk by the VROA Owner. Remember: The Resort Manager has the authority to limit VROA Owner Day Use based on space availability. VROA Owners are strongly encouraged to contact the Resort Sports Center prior to visiting the facility to determine if space will be available on that day and if day use guests will be permitted.

5.12.6 Resort Employee Guest: As defined in Section 4.08, a Resort Employee may elect to bring one Guest instead of any Immediate Family members while accessing the Recreation Facilities as a Resort Employee Permitted User. No fee will be charged for this Guest access, although the Resort Employee Guest must be accompanied by the Resort Employee at all times.
