

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of River View Vista Estates, Inc.

We have reviewed the accompanying financial statements of River View Vista Estates, Inc., which comprise the balance sheets as of December 31, 2022, and the related statements of revenues, expenses, and changes in fund balance and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Association management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of River View Vista Estates, Inc. and to meet or other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion on the Financial Statements

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously reviewed River View Vista Estates, Inc.'s December 31, 2021 financial statements and stated that we were not aware of any material modifications that should be made on those financial statements in our report dated September 16, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the reviewed financial statements from which it has been derived.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the information about future major repairs and replacements of common property on page 11 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have compiled the supplementary information in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA; however, we have not audited or reviewed the required supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on it.

RIVER VIEW VISTA ESTATES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

DESCRIPTION OF ORGANIZATION-

River View Vista Estates, Inc. was incorporated on March 29, 1990 in the state of Oregon as a non-profit homeowners' association. The Association is responsible for the operation and maintenance of common property. The development currently includes 47 units, roads and common property occupying approximately 4.5 acres. The Association is part of the Eagle Crest development, which is located near Redmond, Oregon. All owners belong to Eagle Crest Master Association and River View Vista Estates, Inc. The financial statements include the accounts and records of the Association only and do not include the individual accounts and records of the Co-owners (i.e. 5th, 10th, and 12th share owners). Nine units are wholly owned and the other 38 units consist of fractional ownership.

DATE OF MANAGEMENT'S REVIEW-

In preparation of the financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through October 9, 2023, the date that the financial statements were available to be issued. No items were noted.

SUMMARY OF SIGNIFICANT POLICIES-

Fund accounting

The Association's governing documents provide certain guidelines for governing its financial activities. To ensure observance of limitations and restrictions on the use of financial resources, the Association maintains its accounts using fund accounting. Financial resources are classified for accounting and reporting purposes in the following funds established according to their nature and purpose:

Operating fund

This fund is used to account for financial resources available for the general operations of the Association.

Replacement fund

This fund is used to accumulate financial resources designated for future major repairs and replacements. Disbursements from this fund generally may be made only for designated purposes.

Cash and cash equivalents

The Association considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents. The Association includes Federated Government Money Market funds in cash equivalents.

Investment in marketable securities

Marketable securities, which consist of debt instruments, are carried at amortized cost which approximates market at the balance sheet date. The cost of marketable securities is determined with premiums and discounts amortized over collections. No unrealized gains or losses were recorded during 2022 or 2021.

RIVER VIEW VISTA ESTATES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

SUMMARY OF SIGNIFICANT POLICIES- (Continued)

Member assessments

Association members are subject to monthly assessments to provide funds for the Association's operating expenses, future capital acquisitions, and major repairs and replacements. Assessments receivable at the balance sheet date represents fees due from unit owners. The Association's policy is to retain legal counsel and place liens on the properties of homeowners whose assessments are delinquent. The Association considers all assessments receivable at December 31, 2022 and 2021 to be fully collectible and, accordingly, no allowance for uncollectible accounts is deemed necessary. Any excess assessments at year end are retained by the Association for use in the succeeding year.

Revenue recognition

Assessments and membership dues are billed in advance and are recognized as income when earned. Revenue billed or received, but not earned, is shown as unearned revenue and Reserve-contract liability in the liabilities section of the accompanying balance sheets. All other fees and charges are recognized when the Association's services have been provided. Revenue is not recognized until assessments are collected and adjustments are recorded as contra revenue-bad debt expense.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates in determining financial position and results of operations during the reporting period. Actual results could differ from these estimates.

Interest earned

Interest earned in the funds is allocated by a decision of the Board of Directors. Interest earned in the fund is allocated to the fund which generated the earnings during 2022 and 2021.

Income taxes

Homeowners' associations may be taxed either as homeowners' associations or as regular corporations. Under the homeowners' association election, the Association is taxed on its net nonexempt function income, such as interest earnings, at 30% Federal, plus state. Exempt function income, which consists primarily of member assessments, is not taxable.

As a regular corporation, membership income is exempt from taxation if certain elections are made, and the Association is taxed only on its net nonmembership income, such as interest earnings, at regular federal and state corporate rates.

RIVER VIEW VISTA ESTATES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

SUMMARY OF SIGNIFICANT POLICIES- (Continued)

Property, improvements and equipment

Real property and common areas acquired from the developer and improvements to such property are not recorded in the Association's financial statements because those properties are owned by the individual unit owners in common and not by the Association. The Association capitalizes personal property and other improvements to which it holds title.

At December 31, 2022 and 2021, property not capitalized consists of sidewalks, access roads and greenbelts. According to the Association's governing documents, eighty percent of all unit owners must approve dispositions of any common real property.

Comprehensive income

The Association has no components of other comprehensive income. Comprehensive income consists of net unrealized gains or losses from certain securities.

INVESTMENTS-

The Association purchases certificates of deposits and mortgage-backed securities to invest surplus cash. Investments with over a three-month maturity were:

	Maturity	Interest	Market	Unrealized	Accrued	2022	2021
<u>Certificates of Deposit</u>	<u>Date</u>	<u>Rate</u>	<u>Balance</u>	<u>(Gain)</u>	<u>Interest</u>	<u>Adjusted</u>	<u>Adjusted</u>
				<u>Loss</u>		<u>Cost Balance</u>	<u>Cost Balance</u>
Goldman Sachs	January 2024	3.30%	\$ 98,650	\$ 2,878	\$ 1,528	\$ 101,528	\$ 101,528
Nicolet Bank	September 2023	0.95%	<u>158,711</u>	<u>1,527</u>	<u>21</u>	<u>160,238</u>	<u>160,238</u>
Total CDs			257,361	4,405	1,549	261,766	261,766
<u>Mortgage Backed Securities</u>							
Ginnie Mae Pools	2024 to 2047	4 to 8%	35,532	2,556	123	38,088	51,806
Less current portion			<u>(15,786)</u>	<u>-</u>	<u>(1,672)</u>	<u>(17,458)</u>	<u>(28,807)</u>
Total Investments			<u>\$ 277,107</u>	<u>\$ 6,961</u>	<u>\$ -</u>	<u>\$ 282,396</u>	<u>\$ 284,765</u>

The investments have unamortized premiums of \$453 at December 31, 2022 (\$1,058 in 2021) that are being amortized as principal is returned. The investment securities are mortgage-backed securities that mature between now and 2047. The Association has \$6,961 in unrealized gain at December 31, 2022 (gains of \$9,269 in 2021).

ASC topic 820 establishes a three-level hierarchy to be used when measuring and disclosing fair value of financial instruments. The Association has made no adjustments to quoted prices when valuing these investments. The Board of Directors has determined that, based on the rate of return and investments, the investments have minimal risk.

RIVER VIEW VISTA ESTATES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

INVESTMENTS-(Continued)

The certificate of deposit is FDIC insured. The mortgage backed securities are issued by the Government National Mortgage Association (Ginnie Mae), a U.S. government agency, or the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac), U.S. government-sponsored enterprises. Ginnie Mae, backed by the full faith and credit of the U.S. government, guarantees that investors receive timely payments. Fannie Mae and Freddie Mac also provide certain guarantees and, while not backed by the full faith and credit of the U.S. government, have special authority to borrow from the U.S. Treasury. Some of these investments are held in an account not insured by FDIC, however, the investments are insured by the SIPC, and were purchased prior to the requirement to invest in FDIC insured assets. Other of the securities are held in an FDIC insured institution. The Board of Directors has determined that, based on the rate of return and guarantees, that the investments have minimal risk.

The Association also invested in a Federated Government Obligations Fund which is not FDIC insured and invests in a portfolio of U S Treasury and government securities in 397 days or less and repurchase agreements collateralized by U S Treasury and government securities. The Association had \$166,895 in this fund as of December 31, 2022 which are included as cash equivalents (\$107,695 in 2021).

FUTURE MAJOR REPAIRS AND REPLACEMENTS-

The Association's governing documents require funds to be accumulated for major repairs and replacements. Accumulated funds are held in separate accounts and are not generally available for operating purposes. The study includes components with initial lives of between three and thirty years.

During 2021, the Board, through an independent consultant, updated its reserve study to estimate the remaining useful lives and replacement costs of the components of common property. This study was reviewed during 2022 and a new one will be updated for 2024. Funding requirements assume an annual inflation rate of 3.5% and rate of investment earnings of 1.5%, net of tax. The table included in the compiled Supplementary Information on Future Major Repairs and Replacements is based on this study.

Funds are being accumulated in the replacement fund over the estimated useful lives of the components and estimates of current replacement expenditures over the subsequent 30-year period, considering amounts previously accumulated in the replacement fund. Accordingly, the funding requirement of \$115,779 was estimated and included in the 2023 budget. Actual expenditures may vary from the estimated amounts and the amounts and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet future needs. If additional funds are needed, however, the Association has the right to increase regular assessments, levy special assessments, subject to member approval, or delay major repairs and replacements until funds are available.

RIVER VIEW VISTA ESTATES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

RESERVE-CONTRACTS LIABILITY

The Association has collected dues for future reserve assessments in excess of current year costs which are considered deferred income and are recorded as reserve-contracts liability on the balance sheet. At December 31, 2022, \$724,592 was included on the balance sheet (\$604,133 in 2021).

RELATED PARTY TRANSACTIONS-

During 2022 and 2021, the Association has a management agreement with Eagle Crest Management. The Corporation is to provide all services and personnel necessary to administer the Association. The Corporation charged \$24,896 for management fees in 2022 (\$23,688 in 2021).

Certain expenses are incurred by the Corporation and its related entities and are charged to the Association based on estimated service provided to the Association. The Corporation owns two sports centers which are available for the members' use for which they paid \$8,617 in 2022 for the wholly- owned units; the fractional units paid their fees directly. The expenses for 2022 are as follows: landscape \$38,626, snow removal \$2,575 and guest services \$19,767.

The Association pays Eagle Crest Master Association for use of its water and sewer system. Eagle Crest Master Association also charges dues for upkeep of the common property and fees for use of its sports center. The Association collected and paid \$5,510 in sports center fees from wholly-owned units; the fractional units paid sports center fees directly to Eagle Crest Master Association. The total amounts charged by Eagle Crest Master Association to this Association were \$94,742 for 2022 (\$88,278 in 2021). Eagle Crest Acquisition Group, LLC owned two fractional units at December 31, 2022 and 2021. Eagle Crest Acquisition Group, LLC paid \$746 in dues in 2022 (\$686 in 2021) on the unsold units.

INCOME TAXES-

For the years ended December 31, 2022 and 2021, the Association was taxed as a homeowners' association and no tax was due. Income taxes are due on net investment income. Income taxes are not considered due on membership dues. There was no excess net investment income for the years ended December 31, 2022 and 2021. The Association has no deferred tax assets or liabilities. The Association is no longer subject to US federal and state tax examinations for years prior to December 31, 2020.

The State of Oregon has determined that a Homeowners Association is not subject to corporate minimum tax if they do not have net taxable income and therefore, since the Association has no net taxable income, no return is required for the year ended December 31, 2022.

RIVER VIEW VISTA ESTATES, INC.

Supplementary Information on Future Major Repairs and Replacements (Compiled)

December 31, 2021

The Board of Directors, in 2021, through an independent consultant, updated its study to estimate the remaining useful lives and replacement costs of the components of common property. The estimates were obtained from licensed contractors and suppliers who were familiar with the property. Replacement costs were based on estimated costs to repair or replace the common components at the date of the study. The study includes items with remaining lives between one and thirty years.

The following table is based on the study and presents significant information about the components of common property:

<u>Components</u>	<u>Estimated Remaining Useful Lives (Years)</u>	<u>Estimated Current Replacement Cost</u>	<u>Estimated Expenditures 2023</u>
Siding	7 to 12	\$ 1,002,398	\$ -
Roofs	20 to 23	212,563	-
Decks	12 to 15	603,818	-
Signs and garbage disclosures	0 to 12	40,086	3,078
Storage unit doors	19	39,000	-
Paint	0 to 4	138,041	36,396
Sewers	1 to 28	228,889	-
Roads and paths	4 to 13	113,276	-
Bark	2	13,303	-
Totals		<u>\$ 2,391,374</u>	<u>39,474</u>

The Association at December 31, 2022 has \$724,592 available in the Reserve-contracts liability. At funding levels projected in the reserve study, the Association has adequate reserves through 2052.

See independent accountants' review report.
